AG PLASTICS RECYCLING

FOR SAUK COUNTY RESIDENTS

Recycle your silage bags, bunker covers, bale wrap, plastic feed bags, and hoop film for FREE!

Bring them, tied into tight, manageable bundles, to the Sauk County Highway Shop between 10:00 – Noon on the scheduled day. Supersacks will still be accepted, however, these are not recyclable and are not preferred. All plastic needs to be unloaded by hand and must be a manageable weight and size to unload.

Sauk County Highway Shop: 620 Linn Street, West Baraboo.

No loose plastic will be accepted.

No bale netting/mesh will be accepted. This material is incompatible with other plastic and should be landfilled.

Follow us on Facebook and stay up-to-date on Ag Plastics recycling events.
Search @sauk.cpz then "like."
